Revision of Scales of pay of Melkote Temple employees

1(a) The Local Codes were excluded from the purview of the pay Recommendations of the Revision Committee and as such, the proposed effect to the Revised Scales from 1.1.47 is not binding on the Municipalities. This may however be suggested to the authorities concerned and to fall in line with the Madras Government Departmental Codes. It is hoped that no Complication will be brought on this account in this regard.

1(b) The Revision in Karaikudi and Mayavaram Town Municipalities are given effect to from 1-9-47 and the Officials are permitted to draw the Revised Rates of pay from that date pending Sanction to the Revision proposals.

16) It is not known whether any Officials are drawn to the Melkote Minor Municipality from the Res Dept. But in order to see that - Such Govt Officials do not suffer any loss of emoluments consequent on Revision it is viewed that they should be paid the Salary they would be entitled to on their permanent appointments under the Revised Scales in the Res Dept. Hence that they would draw on the Municipal Scales treating the difference as personal to them.

Sir,

Subject.- Revision of scales of pay of Melkote Municipal Employees.

In forwarding herewith the entire file of records received from the President, Municipal Council, Melkote with his report No. C-33/47-48 dated 17-8-1948, on the above subject, I have the honour to state that the financial position of the Municipality does not admit of the revision of pay in respect of the Bill Collector and Conservancy Daffedar to be on a par with other Municipalities. In the special circumstances reported by the President, I request you, kindly to obtain sanction of Government to the revised scales of pay, proposed by the Municipal Council.

Necessary provision has been made in the sanctioned Budget for 48-49 for the revised scales of pay In an earlier resolution dated & 4-4-1948 (copy enclosed in the file) the Municipal Council have resolved that the revision of pay may be given effect to from 1-4-1948 and that the increased expenditure may be met from re-appropriating the amount of Rs 600/- sanctioned in the Budget for 1947-48, under D5 (provision made for the entertainment of ~~th~~ a sanitary Inspector)

I request the favour of orders on this resolution also

Yours Faithfully,

Deputy Commissioner,

Re - Revision of scales of pay of Melkote Municipal employees

---

With reference to your letter No L 6117 dated 6-12-48 on the above subject, I have the honour to enclose herein the report No C 33/48-49 dated 8-3-49 together with the copies of the resolutions of the Municipal Council dated 29-5-49, and 28-2-49, received from the President, Municipal Council, Melkote and to state that no official of the Revenue Department has at present been drafted for work in this Municipality There may however be occasions when such transfers would be necessary With regard to the question of giving effect to the revision from 1st January 1947, the Municipal Council have, at their meeting held on 28-2-49, resolved that, due to the slender resources, they are not in a position to revise the scales of pay of the establishment with effect from 1-1-47 and that therefore their resolution in the matter of giving effect to the revision from 1-7-48 may be approved There are no instances of Municipalities in the District where effect has been given to the revision of scales from 1-4-48

Necessary provision has been made in the current years' budget to meet the increased expenditure on this

account In these circumstances, I request the favour of early orders of Government on the resolution of the Municipal Council dated 28-2-49

Yours Faithfully,
